OUTREACH IN EL CATEY

In September 2015, Iglesia Cantico Nuevo of Santo Domingo, Dominican Republic began serving alongside Del Corazon de Jesucristo. Once a month, church members of Iglesia Cantico Nuevo make their 2 hour drive from the city to share the love of Christ with the people of El Catey. Their team, consisting mainly of Dominican nationals, have been developing relationships with individuals and families of El Catey as they participate in home visits, praying for the needs of the people, and sharing the Gospel of Christ. They invite the townspeople to come to church under the Del Corazon Pavillion where they can worship the Lord and hear God's Word. The monthly outreaches have had a positive impact and lives are seeking a hope, love, encouragement, and healing that only the Lord can provide

We received this update from Dr. Leslie as Cantico Nuevo made a return visit to put on a Christmas program for the community:

"The church visit was great! 22 of 'em made it including almost all my family, just my dad and Carlos stayed back due to work. It made my day to go out inviting the community with my nephew. I went to the school on Thursday to verbally invite the kids and left a poster on their wall and gave paper invites to the teachers and staff. The people arrived punctual to our surprise and they started the play around 5:15 pm. 140 people made it and 22 raised their hand at the altar call. Then I invited them to our devo time.
