

OUR MISSION

Del Corazon de Jesucristo reaches out to share the Gospel of Jesus Christ by providing medical care and education to the underserved population of the Dominican Republic. Our purpose is to provide hope and encouragement to a community by helping to meet their physical, educational, and spiritual needs.

We Seek To:

- Train the younger generation to be the future Christian leaders of El Catey and the Dominican Republic. Many young people come to us searching for love and acceptance. They learn that Jesus is the true source of love, joy, and wholeness.
- Provide a short-term missions experience for those who are interested. We know that short-term missions changes lives. We encourage mission teams and individuals to join us.
- Give medical students, doctors, dentists and other health care providers an opportunity to participate in medical missions. Health care providers play a major role in helping us meet the physical needs of our community. This experience may influence how they spend their future.

*Also I heard the voice of the Lord, saying,
Whom shall I send, and who will go for us?*

Then said I, Here [am] I; send me.

 **Del Corazon de Jesucristo**
From the heart of Jesus

by Steve Dorsey

In 1986

I went on a short-term mission trip to the Dominican Republic. I spent three weeks living with a family and working with a church to build a school. When I left, I knew I would return.

After many more short-term mission trips to the Dominican Republic, medical school, and residency training, my wife and I started the non-profit Christian organization, Del Corazón de Jesucristo, and moved to El Catey, a small town on the northeast coast of the Dominican Republic. We rented a small house, made home visits, and conducted a medical clinic and childrens' afterschool program on our patio.

Since then, the ministry of Del Corazón de Jesucristo has expanded to a 7-acre campus equipped with a medical clinic, dental clinic, classrooms, baseball field for little league, and housing for short-term teams and long-term missions. The ministry has grown and the door is wide open with tremendous opportunities and potential.

Do you have a heart for missions in the Caribbean? There are opportunities for faithful and flexible workers who desire to use their gifts to make an eternal impact.
